Dear Tom,

I hope this email finds you well.

In light of the BCU1525 delivery delay, and encouraged by your response to this, as announced and reported in the fpga discord, I am requesting a refund for 180 of the 192 BCU1525 (No RAM) boards I have on order with FPGA Land via the fully paid and confirmed orders 1605, 1462, 1408, 1405, 1395, 1247, 1174, 1121, 1119, 1099, 1098, 1097, 1094, 1087, 1084, 1080, 1076 and 1042.

Please could you provide me with the soonest time-frame as to when I could expect to receive the refund money in my account(s).

Best,

Carl

Karl,

That's not a problem. I'll need a crypto address to refund your crypto and bankwire orders to.

I'm placing your ticket on hold pending refund.
